Sunday Night Groups

We will be offering separate fellowship groups for guys and girls this summer. The groups will start at 5:30pm and take place in different locations. If you are interested in hosting one of our groups on a Sunday night, please contact Pastor Luke.

KCUYC Summer Program

On Wednesday mornings, starting June 16, we will be volunteering our time with the Kansas City Urban Youth Center and their summer reading program. This program is designed to help children improve their reading skills during the summer break.

Family Fun Nights

These special events will provide an opportunity for our youth and their families to join together for a night of fun and fellowship. More details on times and locations will be coming soon.
